## Cute and playful illustrations

This season we introduce a cute series of designs named Agnes. All Agnes styles are decorated with sweet illustrations in soft colors, playful shapes, and appealing details – all so characteristic for Bloomingville MINI. The rainbow, the mushroom, the bird, and the fruits will surely become someone's favorites and lead to a lot of pleasant conversation in the children's room.

← The leaf of the pear crackles when baby touches it

← Stimulate baby's senses by squeezing the orange to hear its sound
